

HOUSING INFORMATION

The White River Junction Historic District represents a unique example of a village community which developed around river and rail transportation. Centered around a major transportation facility which has recently been revitalized by Amtrak, the historic district includes within its boundaries a significant grouping of urban architecture of the late nineteenth century through the first half of the twentieth. CCS has negotiated special discount rates for student rentals at two of these historical buildings located in the village on Main Street. These facilities are dorm-like with single or multiple occupancy, shared or common areas, on site laundry, and conveniently located for walking to and from the CCS and around town to cafés, storefronts, bus/train station, grocery stores, etc. Students attending CCS can take advantage of special negotiated rates with the following rentals:
